

# VCF211

## Makes/ Models

Filter Type: Standard

### Ford

Mondeo Mk3 (2000->2007)

### Jaguar

X Type (2001->)

## Cabin Filter Location

Difficulty: Medium  
Time (Approx) 15 Mins

1. The Cabin Filter can be found in the engine compartment underneath a plastic grille on the passenger's side.
2. Remove the wipers and then unscrew the plastic grille so it can be lifted or removed to expose the cabin filter.
